Aliens in Marquette

I was in the woods in Marquette when I met an alien that had one eyeball, green skin, seven arms and he looked kind of weird. He only had one hair sticking out of his head.
He told me that he wasn’t a human but was from a world called Mars.
He and his friends were jumping skate-boards in the woods.
I touched his skateboard and he pushed me away. His skateboard zapped me! I got a big red rash on my hand and it stayed for a couple minutes.
The alien’s mother called them into the spaceship for dinner.
I found a weird looking key on the ground that was to the spaceship. I opened the door and snuck inside.
They found me and locked me in a weird cage.
I fell asleep.
When I woke up,
I was in my own bed.
I had a dream!
