Giving Made Easy

As a Sustaining Member, you decide how much you want to give to WNMU Public Media and how often. You designate the installment amount to be transferred from your bank, credit union or credit/debit card account. It is then electronically transferred to our WNMU account. A record of your donations will appear on your monthly bank, credit union or credit/debit card statement. Your partnership is automatically renewed each year without you having to do anything, so you can rest easy knowing you are helping to pay for the programs you value.

How Your Sustaining Membership Helps:

- Sustaining Members provide a stable source of revenue to help WNMU Public Media pay for the programs and services you value.
- Sustaining Membership eliminates the cost of printing and mailing installment reminder notices and reduces the cost of processing your donations.

It's easy to get started–and you can update your membership any time

- **Determine how much you want to donate and how often.**

  The minimum amount is $5/month. Most Sustaining Members give monthly, or you can also choose to give annually, semi-annually, or quarterly.

- **Complete and sign the attached authorization form (choose TV or FM) and send it to WNMU Public Media.**

  Installments can be made in one of three ways: 1. directly from a checking or savings account, 2. with a credit or debit card (we accept Visa, MasterCard, Discover, and AmEx), or 3. by mailing in a check.

- **Sit back and relax!**

  Your donations will be automatically deducted with a record of each transaction appearing on your bank, credit union or credit/debit card statement. Your partnership is automatically renewed each year.
